# Installation Services

OUR SERVICES

## Installation Services

Let us do the hard part for You!!

We providing one-stop print + installation services from start to finish .

### BANNER / SIGNAGE INSTALLATION:

We help you get your signs and banners up and displayed properly. We offer a pre-installation site survey for more challenging installations and assessing the complexity of the job. Our professional installation team also offer a removal and disposal service for old banner and signage material, leaving you free to enjoy your new sign once the installation is complete.

### BUNTING INSTALLATION:

Bunting is commonly used for road advertisement in Malaysia. This is low cost effective and high exposure to thousands of road user along the highways. We also offer install and dismantle service and licensing service.

### EVENTS AND BOOTH INSTALLATION:

Your trade show begins before you greet your first visitor and ends long after the doors are shut. We want you to concentrate on what goes on in between and let us handle the rest. Our professional and experienced trade show set up and display installers will ensure punctual installation and dismantling of your show or booth.

# Training

We committed to share our experience with everyone by organizing creative training classes in our premises. All of our speakers are qualified and were professional at their field. As we do believe long life learning, our students not only get our input with in the class, but continues even after the training end.

**Graphic Design Courses | Audio & Video Courses  
| Office Courses | Computer Courses  
| T-Shirt Printing Courses | Paper Printing Courses**
